The time has come for change. Our union is about its members and not about individual vanity. Unions should enter collective bargaining agreements. Our union has NOT successfully entered collective bargaining agreements for its members. What agreements have been made are either unenforceable (i.e. teacher's contract) or illegal (i.e. Alutiq). The interest of the union must be refocused to be the interest of the members, not some political agenda not related to our working conditions. I will make this union about the members!

Candidate for Vice President

As a second generation of GFT, I am for positive change in our union. I have served our union and its members in a number of ways consistently and without bias. I served as a steward, a GFT representative on the Guam Education Policy Board. I have even served our members before the Civil Service Commission. I have seen the benefit of our union's collective bargaining agreements. With my experience as a co-mediator at Inafa Maolek, differences should be worked out by looking at the true interests of the party and finding resolution from an interest-based process.

Jennifer Berry

CHLB Price Elementary School

Candidate for Secretary

I am proud to be a part of our local union. It has a long history of serving its members. The history of our union is preserved in the minutes of meetings. These vital minutes serve as a guide for future leaders. The detailed discussions and actions taken at meetings provide members access to information and holds the leaders they elect accountable. I will make it my priority to ensure our minutes are detailed and made available for membership review in a timely manner.

Sanjay H. Sharma

JFK High School

Candidate for Secretary

I have been a member for over 8 years, joining on my first day on the job as a teacher. As your current secretary, I have faithfully lobbied to get pay raises and better working conditions for you, my fellow union members. I have negotiated working rights for DOE teachers, DOE support staff, port employees, DPW bus drivers, DODEA bus drivers, and nurses. I have received extensive knowledge through the Union Leadership Institute and seek to continue serving GFT. I humbly ask for your vote and to also consider voting for Matt Rector, Timothy Fedenko, and James Lujan.

James A.C. Lujan

(Incumbent)

Teacher

Okkodo High School

Candidate for Treasurer

Being a member of the Guam Federation of Teachers, I believe it would be an obligation to be an active participant. I am presently the treasurer. Before me the union struggled to maintain a person for treasurer as they seem to quit not too long after they got elected. Prior to becoming the treasurer, one of my goals was to hire an accountant to assist in managing our accounts so I did. These five years have had our challenges and progress, but we have managed to keep our books above board.

Cris I. Manglona

Teacher

GW High School

Candidate for Treasurer

I am a proud math teacher at GW. I was raised to show respect and have been disappointed in the lack of respect the union has shown to its membership. I believe that both management and teachers should work toward the interest of our consumers to provide the highest quality services to our community. If elected treasurer all expenses will be accounted for and known to all members. Expenses will need to be justified for the good of all members. Any member seeking information will be treated not as an intruder but as a co-equal stakeholder.
