**3 graduate credits from the University of San Diego**

**All courses relevant to K – 12**

### ***Managing Antisocial Behavior***

The anti-social actions of a small but powerful number of students in school not only put their own academic success at risk but threaten the learning environment for everyone. This course presents research on emotional and behavioral problems of students who consistently act out. Participants will learn strategies to reduce and/or prevent the occurrence of disruptive or dangerous outbreaks.
